## Clayhall Range

**Clayhall Red**

**Clayhall Medium**

**Clayhall Dark**

Carefully crafted to replicate all the features of handmade clay tiles, the **Clayhall** handcrafted range of tiles offers an excellent alternative when budget restrictions are a concern, but without compromising quality or durability.

**The Clayhall Range** has been carefully designed with a continuous nib feature which lends itself to design flexibility in main roof and vertical situations.

Choose from dark, medium or red rustic tones combined with natural textures to create a roof with outstanding handcrafted character but with the look of traditional handmade clay tiles.

## Classic Edwardian

The Classic Range of nibbed and nailed holed plain tiles is one of the finest ranges of clay tiles available on the market today. We source only the finest raw materials for our craftsmen to create beautifully hand-made and hand-finished clay tiles of the highest quality and durability.

The process is rigorously monitored and checked continuously in the factory to ensure that our standards are strictly adhered to before undergoing further stringent tests by Lucideon Building Technology.

### Classic Edwardian

Suitable for all new build and renovation projects, the plain tile range offers a variety of design options bringing versatility and character to all types of pitched roofs

## Conservation Range

**Conservation Red**

Available in three distinctive colours, created by using a very fine sand, The Conservation Weathered, A natural warm tone, achieving an instant mellow and settled look and The Conservation Red, perfect for vertical tiling especially suited for villages and hamlets with olde worlde vernacular charm.

Manufactured using high quality clay, achieving high strength and durability properties, giving homeowners and contractors peace of mind for many years to come. The conservation range comes with a complete set of associated fittings, including Hog Back Ridge, Half Round Ridge, Bonnet Hips, Valley tiles and External Angles.
