

Heritage Clay Tiles

Yesterday's traditions, today's choices, tomorrow's heritage.

ROCHESTER BRINDLE

This tile is an entirely **machine-made** product, which makes it an impressively affordable choice. We have specially developed it to suit specifications that are budget-conscious yet uncompromising on quality or style. Being machine-made, this tile has excellent qualities in terms of performance, especially with regards to tolerance. It has a two-nib feature, which gives enhanced grip and stability whilst being easy to install. It boasts rustic tones with natural-looking textures that will create an outstanding roof with all the character and aesthetics of a traditional handmade tile.
